The board is just the beginning

Lists and cards are the building blocks of organizing work on a WunderList board. Grow from there with task assignments, timelines, productivity metrics, calendars, and more.

Dive into the details
Cards contain everything you need

WunderList cards are your portal to more organized work—where every single part of your task can be managed, tracked, and shared with teammates. Open any card to uncover an ecosystem of checklists, due dates, attachments, conversations, and more.

Meet your new Butler
No-code automation

Let the robots do the work—so your team can focus on work that

matters. With WunderList's built-in automation, Butler, reduce the number of tedious tasks (and clicks) on your project board by harnessing the power of automation across your entire team.

Power-Ups

Integrate top work tools

Easily connect the apps your team already uses into your WunderList workflow, or add a Power-Up that helps fine-tune one specific need. With hundreds of Power-Ups available, your team's workflow wishes are covered.
